

WASHINGTON METROPOLITAN AREA TRANSIT COMMISSION

WASHINGTON, DC

ORDER NO. 5435

IN THE MATTER OF:

Served October 19, 1998

Application of UNICCO SERVICE	)	Case No. AP-98-36
COMPANY for a Certificate of	)	
Authority -- Irregular Route	)	
Operations	)	

Applicant seeks a certificate of authority to transport passengers in irregular route operations between points in the Metropolitan District. The application is unopposed.

The Compact, Title II, Article XI, Section 7(a), authorizes the Commission to issue a certificate of authority if it finds that the proposed transportation is consistent with the public interest and that the applicant is fit, willing, and able to perform the proposed transportation properly, conform to the provisions of the Compact, and conform to the rules, regulations, and requirements of the Commission.

Applicant proposes commencing operations with three minibuses. Applicant's proposed tariff contains annual rates for shuttle service under a contract with the National Academy of Sciences.

Applicant filed a balance sheet as of March 29, 1998, showing assets of \$157,118,000; liabilities of \$149,464,000; and equity of \$7,654,000. Applicant's projected operating statement for the first twelve months of WMATC operations shows revenue of \$207,336; expenses of \$271,047; and a net loss of \$63,711.

Although applicant's projected net loss raises the issue of applicant's financial fitness, the record supports a finding in applicant's favor. An applicant must demonstrate financial fitness by showing the present ability to sustain operations during its first year under WMATC authority.<sup>1</sup> Applicant is a going concern projecting a net positive cash flow during the first twelve months of WMATC operations. We have found other carriers financially fit under similar circumstances.<sup>2</sup>

Applicant certifies it has access to, is familiar with, and will comply with the Compact and the Commission's rules and regulations thereunder.

Based on the evidence in this record, the Commission finds that the proposed transportation is consistent with the public interest and that applicant is fit, willing, and able to perform the proposed transportation properly, conform to the provisions of the Compact, and conform to the rules, regulations, and requirements of the Commission.

THEREFORE, IT IS ORDERED:

1. That upon applicant's timely compliance with the requirements of this order, Certificate of Authority No. 450 shall be issued to UNICCO Service Company, Four Copley Place, Suite 500, Boston, MA 02116.
